

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Part - Ingersoll Rand offers products, solutions and services to ensure efficiency and increase the productivity in residential, industrial and commercial environments. They pride themselves in providing products in order to improve the safety, comfort, security and health of people around the world throughout their four international segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting services, parts support and advanced controls for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions in order to improve productivity, operations and energy efficiency for their customers. The range of products in their line include: pumps and tools, and material fluid handling systems to complete compressed air systems. They have likewise developed Club Car, the global leader in golf and utility vehicles meant for individuals and companies.

Popular brand names like Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all over North America. Several of their innovative quality products consist of electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products that ensure safe, productive and secure surroundings. This division's market leading products include floor and door closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Schlage also has products that provide attendance, personal and time scheduling systems.
