

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the business as durable and strong machines which suits all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply parts, warranty service and equipment for these types of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in new construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's high standard of quality and utmost performance level for polishing concrete.
